Dear Parish Family,

As I conclude my time serving within our parish community, I want to thank you for the love, support, friendship, and kindness you have shown me through the years. Serving alongside you has been one of the greatest blessings of my life. Thank you for helping shape me both spiritually and professionally, for sharing your lives with me, and for allowing me to be part of this loving community. You truly carry the heart of Jesus, and witnessing Christ through your lives has been a beautiful gift to me. Continue to be your authentic selves and remain faithful to God's call.

With love, gratitude, and peace,

Deanna

We are starting to implement the Hallow application for our parishes. It will provide a ready source of Catholic content that people can subscribe to and follow. We can create sub-groups that individuals can register for to engage in Bible studies and group activities that they have in common. We hope that as many people as possible will dive in to use the application. It is available on all platforms; Apple, Android and PC. We have 50 free IDs available on a first come basis, so if you are not already a Hallow users, drop Fr. Joe or Fr. Dillon an email and you will be sent instructions for getting registered. If you have already been using Hallow, do a search in the "Church" icon at the bottom of the screen, circled in red above, and look for "ACC & IC Cluster". Select it and you will be on your way to join with us on our new journey to strengthen and grow our church.

The Youth Group is in need of volunteers to provide meals on Wednesdays at 6:30 pm. If you are able, please email the office at anacondacatholic@dohmt.org.
