For many, a Catholic Journey Weekend is a new awakening to a deeper friendship with Christ.

The Women's weekend is Thursday, January 22-25, 2026, the Men's weekend is January 29-February 1, 2026; both are in Deer Lodge at St. Mary's Parish Center.

More information including online applications for candidates and Journey Team volunteers can be found at:

<https://www.mtcatholicjourney.org/upcoming-butte-deanery-weekends.html>

We are looking for individuals interested in operating the new sound system at Holy Family for 5:00 pm Saturday Mass and 10:00 am Sunday Mass. The system controls the microphones for Father, the ambo, and the music team via an I-Pad. It is a **very easy learning curve** and would require less than a 30 minute training. This would be a great ministry for youth and teens! Scheduling for Mass would be very flexible. If you are interested, please contact Shelly Clark after Mass or call/text her at (406) 291-9860.

This year's Annual Catholic Appeal, "**Habemus Papam: Upon this Rock**", builds on our hope in Jesus Christ and is refreshed by apostolic succession. As we welcome our new pontiff, Pope Leo XIV, Jesus continues to build his Church through him, and importantly, with us. Thank you for helping us build the Church here and now!

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS ~ **Eyes On Your Own Paper**

"Nation will rise against nation, and kingdom against kingdom. There will be powerful earthquakes, famines, and plagues from place to place." ~ Looking at these words, I have to wonder. Am I reading the Bible or today's newspaper headline? ~ It's never easier to despair than when you glance up and take a good look at what's going on in the world: disasters, natural and contrived, wars, resentments, rivalries, and divisions. It is almost too much sometimes, isn't it? The twenty-four-hour news cycle doesn't help. Add social media and it's enough to push anyone into a nervous breakdown. ~ When you find yourself in this place of despair, remember Paul's admonishment in his letter to the Thessalonians. Work quietly and eat your own food. ~ It's not so different from the old "keep-your-eyes-on-your-own-paper" rule of the classroom. Poking our noses into other people's business, we may think we are getting a shortcut to the right answer, but we're really just getting distracted. When we become too preoccupied with events that we cannot control — whether they are happening in our neighborhood or half-a-world away — we are tempted to leave off the very specific work God has given us in our own lives. We are easily lured into anger, bitterness, and anxiety. ~ What is the work that God has called you to? Is it your career? Your family? Your community? What is your food — what nourishes you, sustains you, connects you to something real, powerful, and life-giving? This is what you should be concerned with. This is where your thoughts and your efforts should be. ~ Work quietly and eat your own food.

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

November 16, 2022 ~ Thirty-Third Sunday in Ordinary Time
Luke 21:5-19

When I was a kid growing up in New England, I'd occasionally go on a whale watch. Once we went out with calm waters and clear skies. But on the way back in, the sea got rough. I was just a kid, and I remember thinking we should turn left or right toward the shoreline I could see. But the pilot of the boat kept going straight — right into the waves — focused on a small, discouragingly distant lighthouse. Even when it flickered in and out of sight, he stayed the course. He knew where he was going.

That image comes to mind when I hear Jesus' words in today's Gospel regarding false messiahs: "**Do not follow them**" (Luke 21:8). In times of chaos or uncertainty, there are always voices offering easier routes, promising false safety, claiming to speak for God. But Jesus isn't found in the loudest voice or the nearest shoreline. He is steady, like a lighthouse in the storm.

The tribulation of which Jesus speaks — it's real. It happened to the Temple, it happened to him, it happens in the Church, and it will come to each of us. But the command is not to panic. It's to endure. To keep steering toward him. Faith isn't about having all the answers or dodging every wave. It's about knowing where the lighthouse is — and trusting it enough to keep going, especially when false safety beckons us to stop.

— *Father John Muir*
